Flandreau Santee Sioux Tribe Long Term Care Center

909 Jones Drive, Flandreau SD 57028

605-573-2100

Registered Nurse MDS/Infection Preventionist/ Restorative Nurse

Opens: 10/30/2026 Open Until Filled

Competitive Wage based upon experience.

Job Summary: The primary purpose of MDS nurse is to access patients' needs, implementing care plans, coordinating with the interdisciplinary team to provide the highest level of patient care. Ensuring accurate assessments are completed, documentation, care planning, regulatory compliance and reimbursement coordination for residents. The Infection preventionist develops, implements and maintains the facility's infection prevention and control program, completes the NHSN reporting for the facility, and serves as a resource for residents, family members and staff.

Education Requirements:

Must have a nursing degree from an accredited college, university or be a graduate from an approved RN program.

Must have Resident Assessment Coordinator training certification (or complete within 6 months of hire).

Wound Care Certification preferred, but ability to complete in a timely fashion, considered.

Minimum Qualifications:

- Pre-employment drug and alcohol testing
- Pass P.L. 101-630 background investigation.
- Must be able to read, write, speak, and understand the English language.
- Minimum of three (3) years of experience as a registered nurse in a long-term care setting as a licensed nurse, preferably with a supervisory role.
- Continuing education in wound care and pressure injury staging.
- Most possess the ability to deal tactfully with personnel, residents, family members, visitors, government agencies, and the general public.
- Must possess a valid driver's license.
